October 19, 2023
(amended October 12, 2023)

The agenda and protocol for a public hearing to consider and act on a proposed Stipulated Final Judgment and Final Order in connection with the matter of the Town of Alna v. Jeffery A. Spinney, District Court, Division of Wiscasset, Docket No. CV-2022-2, will be:

1. Presentation of the terms of this proposed Stipulated Judgment by the Selectboard and/or the Town Attorney (15 minutes)
2. Presentation/comment by Mr. Spinney and/or his attorney (15 minutes)
3. Comment by each of the five other parties to this appeal and/or their attorney (8 minutes each, for a total of 40 minutes, to be divided as they see fit)
4. each, for a total of 40 minutes, to be divided as they see fit)
5. Public Comment (3 minutes per commenter)

After the close of the public hearing, the Selectboard will deliberate on whether to authorize and direct the Town Attorney to enter a Stipulated Judgment in WISC-CV-2022-2 (the 80K action). Please note that because this would be a stipulated judgment by the parties to that enforcement action (the Town and Mr. Spinney), changes can only be made by agreement of both those parties. If changes are not acceptable to both those parties, then the vote of the Selectboard on the 19th can only be up or down on authorizing the entry of this existing Proposed Stipulated Judgment.
