

November 17, 2023

To better understand the needs of Alna residents, and whether there are ways that the Town of Alna can help interested property owners obtain broadband service, we would appreciate your help by completing the following survey, and returning it to the Town Office no later than Friday, December 1, 2023.

Name: _____

Street Address: _____

Mailing Address: _____

Email Address: _____

Phone: _____

- I am interested in obtaining broadband service, but found that the cost of making the physical connection to my home is prohibitive.
- I don't think that broadband service is available at my location. I would be interested in obtaining broadband service if it were available on my road.
- I would like to have broadband service at this property, but found the monthly cost to be too high.
- None of the above apply, but I would be interested in learning more about whether broadband might be available, and whether the Town of Alna can help.
- Other: _____

Please return this survey to the Alna Clerk by mailing or delivering it to the Alna Town Office, 1574 Alna Road, Alna, ME 04535 no later than Friday, December 1, 2023. Forms may be left with the clerk during normal hours, or dropped in the mailbox when the office is closed.
