

Midcoast  
HUMANE

**We are your local animal shelter, and we are here to help.**

**Serving 39 municipalities throughout Midcoast Maine.**

**Some ways that Midcoast Humane helps our community:**

**Adoption Agency**

We find loving homes for nearly 3,500 animals per year, in Midcoast Maine and beyond.

**Pet Surrenders**

We accept pets from people in your town that can no longer care for their animals.

**Stray Animals**

We accept stray and neglected animals from your town and 38 other communities.

**Transport & Rescue**

We partner with animal rescue organizations across the state and nation to help animals in areas where adoption numbers are low and resources are scarce.

**Foster Care**

We socialize and foster at-risk animals, ensuring they leave our care healthy and well-prepared to enter a home.

**Veterinary Care for Shelter Residents**

We provide for all health needs of the animals in our care.

**Community Cats Program**

We care for feral cats, and practice TNR (trap, neuter, return) to prevent pet overpopulation and ensure that all homeless animals are healthy.

**Pet Care Assistance**

We offer low-cost wellness clinics, spay/neuter clinics, pet food assistance, and veterinary assistance for low-income households.
