Date received by Planning Board \_\_\_\_\_

<sup>1</sup> An updated list of non-native invasive vegetation is maintained by the Department of Agriculture, Conservation and Forestry's Natural Area Program: [http://www.maine.gov/dacf/mnap/features/invasive\\_plants/invasives.htm](http://www.maine.gov/dacf/mnap/features/invasive_plants/invasives.htm)

Town of Alna  
Shoreland Zoning Permit  
for Removal of Non-Native Invasive Vegetation Species

Date of on-site inspection by Planning Board \_\_\_\_\_

Application Approved \_\_\_\_\_ Denied \_\_\_\_\_ by Planning Board

Planning Board finds that all requirements of the Shoreland Zoning Ordinance, Section 16(D)(1 – 9) have been met with the following conditions:

- If removal of vegetation occurs via wheeled or tracked motorized equipment, the wheeled or tracked motorized equipment must be operated and stored at least 25 feet, horizontal distance, from the shoreline, except that the wheeled or tracked equipment may be operated or stored on existing structural surfaces, such as pavement or gravel;
- Removal of vegetation within 25 feet, horizontal distance, from the shoreline must occur via hand tools;
- The area must be revegetated with native species; and
- \_\_\_\_\_

Permit No. \_\_\_\_\_
