Hi John – I am in the process of planning the agendas for the Planning Board's April and May meetings and am checking in on your progress.

If you will have the information requested in the letter I sent following the Dec. 5, 2023 planning board meeting and can provide that information to me either by email or by hard copy to the Town clerk by Thursday, Mar. 21, I can put you on the agenda for the regular April 2 meeting.

If you need/would like more time, and can get me the information by Thursday, April 4, I could put you on the agenda for a special planning board meeting on April 16.

The following regular meeting will be on May 7, with a deadline for submitting additional information by Thursday, April 25.

For your convenience, I have attached a copy of the letter previously sent.

Please let me know your current thinking at your earliest convenience. Thanks.

Cathy Johnson
Chair, Alna Planning Board
