

Kate Nordstrom Comments on Crooker Application 04/02/2023

Hi Jim

I'm not sure if I will be attending Tuesday night's meeting so here are my thoughts in writing.

I am not in favor of Crooker expanding their operations at the Alna/Whitefield location as was described at the site visit last week.

I'm concerned about:

1. noise from machinery and blasting
2. Increased truck traffic
3. Damage to ground water and to the Sheepscot River

I hope the members of the Planning Board agree with me and that you adopt an ordinance that will protect Alna.

Thanks Kate Nordstrom
1690 Alna Rd Alna
